GLOBAL SOLUTIONS | USA

PRODUCT & SOURCING CATALOG · 2026

Recognized brands. Qualified equivalents. Better value.

Global industrial procurement for B2B buyers, from the exact brand specified to KELTRIX OEM products made by qualified manufacturers.

WHO WE ARE

Industrial sourcing built around each RFQ

Keltrix Global Solutions Corporation helps industrial buyers source the exact brand specified, or cut cost with qualified equivalent alternatives.

We work through established supply channels and qualified manufacturers, review technical compliance, quality documents and required certifications, and coordinate consolidation and delivery to your destination.

300+
Clients served

277+
Brands we can source

10
Product categories

4
Sourcing regions: U.S., Europe, China, Asia

HOW WE SOURCE

Three ways to fill every RFQ

01

Original brand

The exact model and part number, sourced through established distributors and specialist supply channels.

02

Qualified equivalent

Alternatives checked against material, dimensions, standards, certifications, application and lead time.

03

KELTRIX OEM

Our own brand, made by qualified factories in China, with an OEM manufacturing declaration for tender submissions.

SERVICES

From sourcing review to delivery

International brand procurement

Recognized industrial brands and original parts through credible commercial channels.

Global manufacturer sourcing

Qualified manufacturers in the U.S., Europe, China and Asia, matched to your specifications.

Supplier due diligence

Credentials, product scope, certificates and quotation terms reviewed before you buy.

China sourcing & OEM

OEM production, equivalents and cost-competitive manufacturing with factory verification.

Logistics & delivery

Consolidation, freight coordination and delivery support from origin to destination.

Business setup support

Company formation in the U.S. and China, coordinated through qualified local partners.

OUR OWN BRAND

KELTRIX product lines

Industrial products manufactured under the KELTRIX brand by qualified OEM factories in China, reviewed and documented for industrial buyers and public tenders.

KELTRIX LINES

Made to your specification

Pressure gauges

Industrial pressure gauges for process, utility and maintenance service.

Quote with

- Pressure range and units
- Dial size
- Connection size and position
- Case and wetted materials
- Liquid-filled or dry

Industrial belts

Power-transmission belts for industrial equipment and maintenance supply.

Quote with

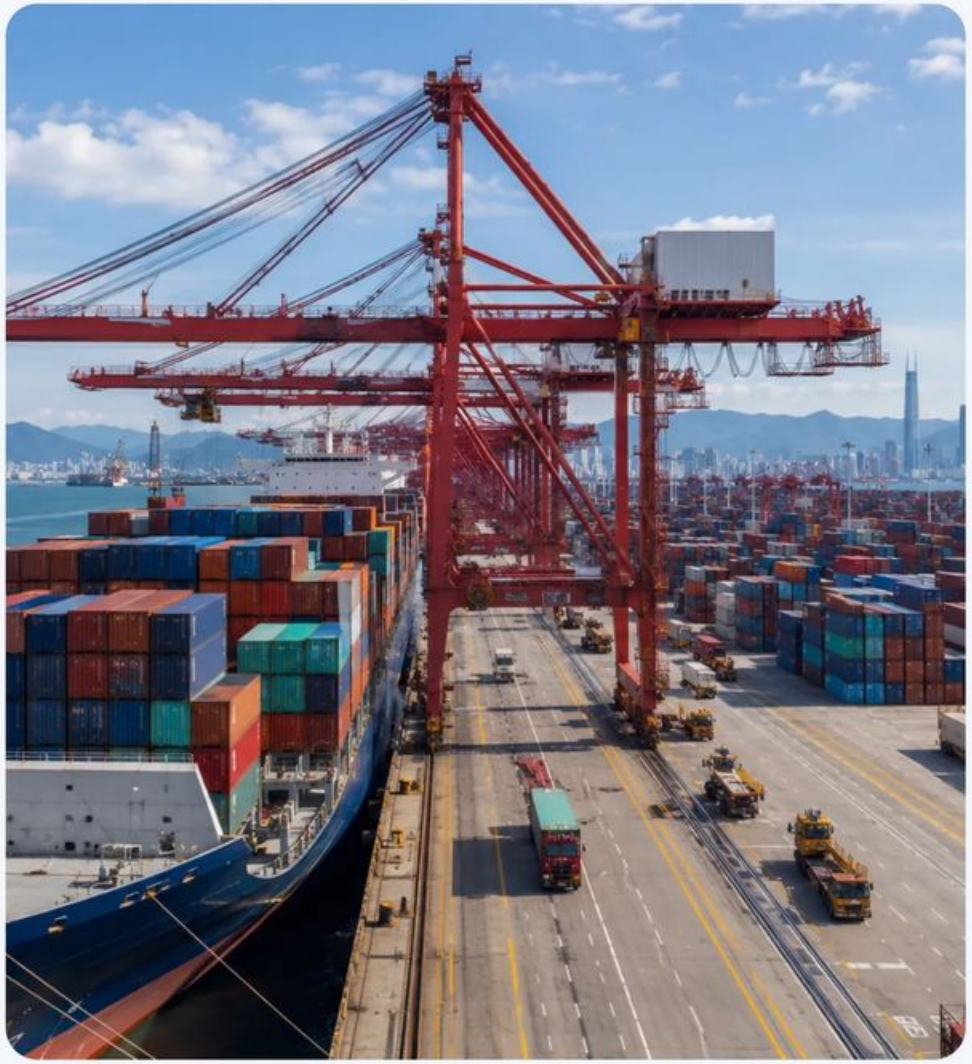

- Belt type and profile
- Length or part reference
- Equipment or OEM part number
- Quantity

Air compressors

Industrial air compressors for plant and process air supply.

Quote with

- Required air flow
- Working pressure
- Power supply (V / Hz / phase)
- Duty cycle and site conditions

KELTRIX QUALITY

Behind every KELTRIX product

- **OEM manufacturing declaration** issued by Keltrix for tender submissions.
- **Quality documents and certificates** available from the factory, reviewed before shipment.
- **Factory verification and inspection** coordinated when applicable.
- **Production photos and status updates** while your order is made.

Tools & hardware

RECOGNIZED BRANDS

277+ brands we can source

Emerson · Rosemount · Endress+Hauser · Honeywell · Fluke · Atlas Copco · Grundfos · Parker · ABB · Siemens · Schneider Electric · Rockwell Automation · 3M · Dräger · SKF · Carrier · Motorola Solutions · Caterpillar · Cummins · Yokogawa

Your brand is not listed? Send the RFQ anyway. We focus on the correct model, part number and a credible commercial supply path.

Keltrix is independent and does not imply authorized-distributor status unless expressly confirmed. Brand names belong to their owners.

CHINA SOURCING

Seven steps from request to shipment

01

Requirement review

Quantity, brand, specs, standards and destination.

02

Supplier search

Qualified manufacturers, OEM producers and equivalents.

03

Due diligence

Factory capability, export experience and terms.

04

Certificate & spec review

Certificates, datasheets, drawings and photos.

05

Production follow-up

Order tracking while the goods are made.

06

Pre-payment verification

Inspection before the final balance is released.

07

Shipping follow-up

Consolidation, tracking and delivery support.

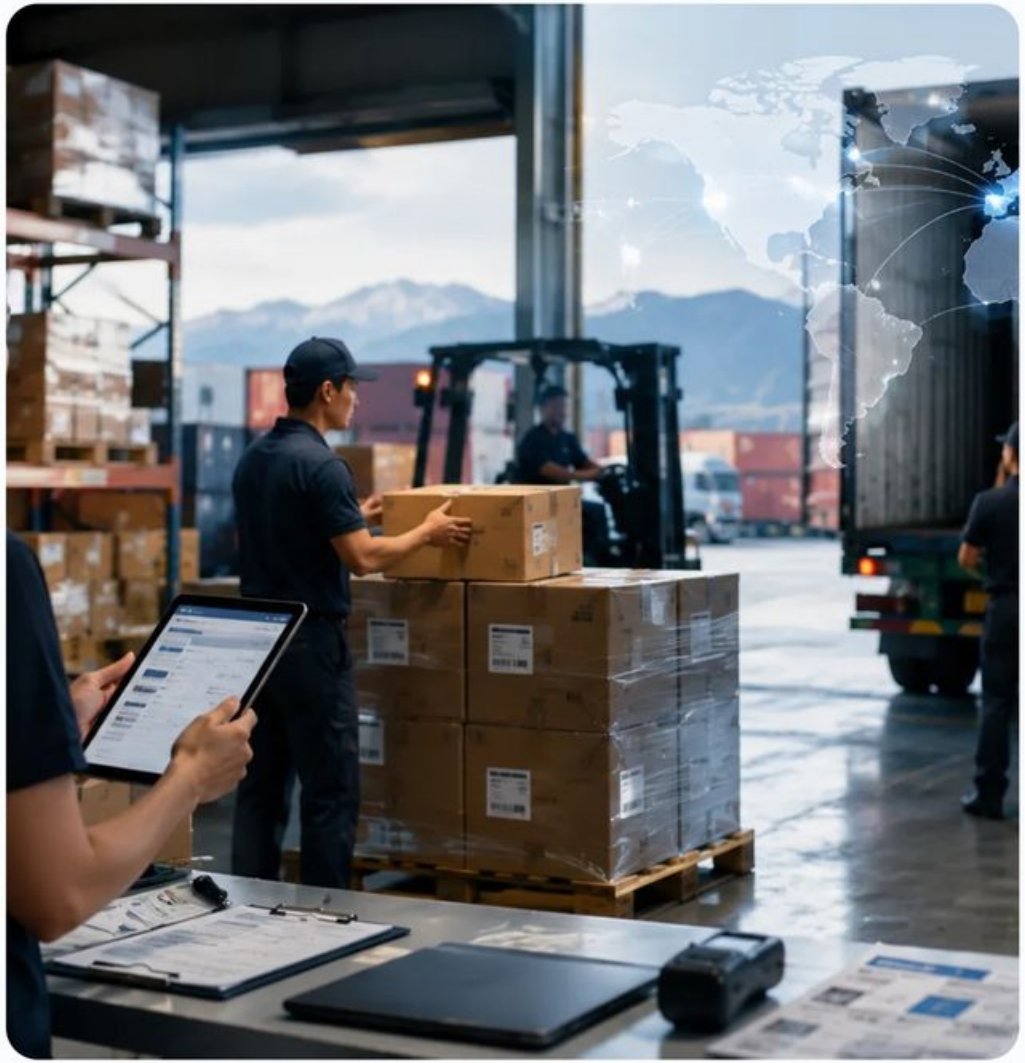

30 / 70

Many factory orders use 30% deposit and 70% before shipment. We can verify the goods before you pay the balance.

LOGISTICS

From the supplier to your site

- ✓ Air, sea or mixed-mode shipping by urgency and cargo type
- ✓ Consolidation of several suppliers into one shipment
- ✓ Packing list review and export document follow-up
- ✓ Warehouse and pallet-level visibility
- ✓ Door-to-door delivery with logistics partners when required

REQUEST A QUOTE

Send your list. We find the right source.

What to send

Product list, specifications, models, photos, drawings, quantities and destination.

What we review

Original brands, qualified global suppliers, KELTRIX and China OEM options, equivalents, logistics and lead times.
